Subject: Legislator Questions re: State House Grounds

Per our conversations last week below are legislator questions regarding State House Grounds:

How does one reserve the State House grounds?

What are the steps for the approval process?

Are other agencies involved in the approval process?

Are background checks apart of the approval process?

Who has the final approval?

What State House equipment is accessible for approved events?

When an event is approved who is notified (*agencies, tour office, governor, legislators*)?

Thank you,
Katherine
