David Avant was very helpful in getting affidavits for me that have been filed in support of the preliminary injunction motion in this case.

FYI, I am attaching an email from Arkansas about US Wage and Hour Division meetings with state agencies. Don't know whether any are planned in SC, but want you to know. The email says that the litigation will not be discussed by Division personnel.

If you have any questions, please let me know.

Emory - I spoke with Swati and it sounds like we have collected some information already based on a call you had with her. I'm going to call David Avant and loop him in and have him give you a call to help with the Affidavit and info.
