Hello, Nicole. Hope you are well. It's been a while since we last communicated, and I wanted to reach out to see if we might be able to reschedule Governor Haley's visit to Seneca for some time this summer. You may recall that we were looking at March 24, but had to postpone due to a change in the governor's schedule.

We've got a pretty big site in Seneca of about 400 people. They'd love to see their governor. Hopefully we can work things out.

I look forward to hearing from you.

Regards,

Mike
