South Carolina Senate  
State House  
Columbia, SC 29201

Dear Ladies and Gentlemen of the Senate:

My reason for writing is to ask for your support of Eleanor Kitzman's appointment as Director of the Department of Health and Environmental Control.

I have known Ms. Kitzman for a number of years through her involvement in the insurance industry in South Carolina while I was serving as Chief Executive Officer of the SC Farm Bureau Insurance Company. I have been impressed with her leadership and management skills that I observed as a competitor in the automobile insurance business, and I found her to be a fair and effective regulator during her term as Director of Insurance.

I appreciate your consideration of Ms. Kitzman's appointment, and all that you do for our state. If you have any questions of me or if I can ever help you in any way, please let me know.

Thank you again.

Regards,

Phillip E. Love, Jr.
