

GOVERNOR HALEY,

1-10-2017

By my letterhead you know my name as Henry B. Hammonds, young 63 of age. I first saw you on the State House grounds of Columbia. Seems like many years ago. The speech you made was very impressing. You are articulate when you speak. As also I've followed you through your elected position as Governor. Also such as now you being considered for Ambassador of the United Nations. I'm glad President elect Trump won and you backed him in South Carolina. I would like to say your appointment would be fitting for you.

Governor, this is not about my feeling for your success, but to ask for a possible assistance. My youngest son has himself in a situation at this time.

He is serving time at Ridgeland Correctional Institution in Ridgeland, South Carolina. He's been in two years of a four year sentence. A crime that was stupid. Drugs and a weapon was involved, no violence just possession.

His mother and I separated when he was 10 years old. She is deceased now from cancer. But through the years my son and I have continued to have a good relationship. He's thirty two now and another history of a child that's had problems growing up.

He has asked me to do what I could to get him transferred from where he is at to a better institution that can provide him with the opportunity to better ready himself for his release back into society. The institution

NAMED ALLENDALE HAS A CHARACTER-BASED PROGRAM AND VOCATIONAL TRAINING AVAILABLE. I BELIEVE THIS INSTITUTION WOULD HELP HIM COME BACK INTO SOCIETY WITH LESS STRESS OF FILLING A VOID THAT OTHERS INCARCERATED WHEN RELEASED FACE.

THIS IS NOT ALL JUST FOR HIM, BUT MORE FOR MYSELF. I LIVE ALONE AND CAN HELP HIM WITH HIS GETTING A NEW START. AT THE SAME TIME I WOULD HAVE NOT ONLY MY SON BACK, BUT HAVE VERY NEEDED HELP.

THE PERSON RUNNING THE PROGRAM AT ALLENDALE IS A MS. BECHNER. IF YOU OR SOMEONE IN YOUR STAFF COULD CONTACT HER AND ASK FOR ANY ASSISTANCE WITH THE TRANSFER IT MAY HELP.

ALL I CAN DO IS THANK YOU AND TELL YOU GOD BLESS YOU AND YOUR FAMILY

MY SON'S NAME IS HARDY BLAKE HAMMONDS, INMATE # 364581 B-B-66

SINCERELY YOURS
THANKS AGAIN, Henry B. Hammond
