Your prediction was accurate. Are we out of the situation for now?
Thank you

As of now...

Ms. Williams was discharged Sunday to her home. Staff had arranged for Home Health and Durable Medical Equipment. The equipment was to arrive on Saturday, but daughter was not available. When Ms. W arrived to her house, daughter was not available and resident was sent to McLeod Hospital. Administrator spoke with Social Worker to explain what services had been arranged, but unable to be delivered. Adult Protective Services in Florence was contacted.
