FEATURED STORY FOR OCTOBER 5, 2018

Amid Supreme Court Impeachments, West Virginia Voters Could Weaken Judges' Power

The state where lawmakers put every justice on trial this year is also the only state where the legislature has no control over the judicial budget. That may change in November.

Five Ways to Triage Your Legacy Government IT Systems

Today, with cloud environments replacing the sprawling on-premises data centers, it's rare that one can justify or afford the "big bang" type of system replacement, so an IT triage plan is more important than ever before. [READ ARTICLE](#)
