Attention: Ms. Mottel

I would like to write you a letter to inform you of Timothy Griffin. Mr. Griffin does bring himself too many community activities but is mainly to get pictures made and then he is off. Volunteering is a commitment not a photo opportunity. I do know this first hand because my daughter has been one of the girls in the Miss Pageland Scholarship Organization. This man talks inappropriately to and in front of these ladies. My children have experienced this first hand. His pageant is held in June and as of right now he has yet to give my daughter the scholarship money that she won. I do not want the money but it is very hard to present yourself as a scholarship organization when you do not deliver on your promise.

I only want you to be aware of this because I have seen the damage this man has done to many. I also have lots of text messages where this man has talked down about the girls in his pageant behind their back. He is not a role model and he should be stripped of the authority to award any Presidential Award to anyone.

Thank You,

Concerned Parent
