

D.M.V. HANGS UP ON ME WHEN I CALL
ONE CAN NEVER GET A LIVE REPRESENTATIVE

Dear Gov Haley & Rep Lottile

Whenever I call D.M.V. :

1. Initially I get a recording which
 - (a) Gives a long "Commercial"
 - (b) Gives a number of unclear options
2. Whenever I select an option, I get a recording which says: "Due to an usually high volume of calls, All representatives are busy. Please hang-up and call again."
3. THEN, DMV HANGS UP ON ME

This has happened 72 times over 10 consecutive days. It doesn't matter what time of day or week. As a result of not being able to get an answer to a simple Question, my tag/registration was cancelled and my life substantially affected, plus expens. and hassle and wasted 2 weeks and used all the minutes on my phone.

I wanted you to know I really resent and don't like this one bit
