Good Morning Gov. Haley

Well, lets try Good Afternoon, since it is 12:13pm.

I, am Benji's father. I served in the U.S. Navy during the Vietnam War. I taught public school for 37 years and retired in '08 from Spartanburg High School (Odyssey World History / European History / AP World History / AP European History / MODERN WARFARE for seventeen years at SHS). I have continued teaching at Spartanburg Community College, this I started doing in 2002 through the present semester and beyond!!!!

I, too, would like to voice (type) my concern over these so-called strapping young gents being considered as refugees and being resettled amongst our very own citizens. This is a major step in the strategic planning of ISIS to use this ploy as an over-sized T R O J A N horse. It doesn't take a rocket scientists to figure this one out. Besides the so-called moderate Muslims will go along with this ploy, because they too view this as a step to eradicate our culture, our way of life, our belief in Christianity, our support for Israel, our freedoms, our Constitution (and it ain't going to take a backseat to Sharia - PERIOD!!!).

STOP IT, NOW!!! No more infiltrators, especially when our so-called government agencies can't even screen them, much less offend them for PC sake.....Now, where would this country be if PC had been in place in '41-'45????? Sprachaun zee Deutch, or maybe practice a little Hari Kiri!!!!

STOP IT, NOW!!!! No more of these so-called refugees that ain't refugees.....Ever heard of Islamic Fundamentalistic Jihadist TERRORIST? And our so-called government is letting them in. Unbelievable that so many in Washington are asleep at the wheel. Washington and Jefferson and ole Ben are spinning in their graves!

STOP IT, NOW!!!! No refuggggggggggggggeeeeeeeeeee resettlement in South Carolina. PERIOD!!!!!!!

Governor Haley,

Hello my name is Benji Lineberry and I am a resident of Pauline, SC we are in Spartanburg County, South Carolina. I want to voice my concerns over the possibility of Syrian Refugees relocating to Spartanburg County. I along with many other Spartanburg County Residents are against this relocation and settlement and see this as an infringement on our Rights as United States Citizens. The Safety of my Children, our Family and our Friends including Local Residents should come first and this could possibly endanger us if a Radical Group were to be implanted within these Refugees and not monitored. Please Consider this as we voted for you and would like for you to listen and consider our requests as American Citizens. Thank you for your time and attention.

All the best,

Benji Lineberry
