Hi,

I thought it would be appropriate to share this video that was created and emailed to me today from one of our after-school students. See Below!

Hi,

Thank you for responding. I received a message informing me that Governor Haley won't be here on Nov. 4 for our Lights On Event. Is it possible for us to have a 5-10 minute interview via Google video or perhaps on Monday while she's here with Team SC flood recovery.

We really would like for her to give us just a few minutes.

Our goal is to spread awareness to our community on the importance of our 21st CCLC Afterschool Programs in Manning, SC. To have Governor Haley share her input would greatly impact our Lights On Event!

Please see attachments for facts on the request at hand.

Thank you,
