Doesn't sound like any revisions are forthcoming.

You can breathe a sigh of relief.

Subject: Update

We will have the monthly revenue numbers from the CG Tuesday morning and will have some info out to you Tuesday night. It may be Wednesday afternoon before we get our final analysis to you. Based on some "preliminary data", it appears sales tax and withholding was weak; corp income was still strong. Not sure about the individual income components yet. It appears we did get a large settlement from the Atty' General Office to help. The Lottery is increasing their estimate a little. Will have more later,
Frank
