Hey Katherine,

Just sent you a separate email reply to this, but also wanted to mention – UPS just dropped off the photo frame cards about five minutes ago. I'm going to walk one over for you so you can look at it. I only ordered 100 this first time so we can review size and quality before putting in a full order. If you're good with it, I'll bring the rest. If we need to change something, let me know and I'll make adjustments before placing the next order.

Thanks!

Justin

Justin,
Hope all is well.
Can you take a look at the attached packet.
We have completed the text. Can you look at the nomination form with the seal and see if you can make the seal lighter?
It seems to dark. Call me if you have any questions.

Thank you,
Katherine
