Subject: Existing Industry Poster

Katherine,

Maceo had an one of those round existing industry posters that you mentioned you saw last time you were up here. It has the date of this year's industry appreciation week. We create one each year, so if you find a place for it on the wall, we can get you a new one each year. This one is already mounted on some foam board but the frame broke. I am going to have it delivered to your office on Monday.

Have a great weekend.
