Friend,

week from today we will be looking forward to greeting each of you at the TD Convention Center for our Banquet for Life Fundraising event! Many hours have gone into the preparations of music and testimonies, along with a few surprises. I spoke with Tebow for an hour this week. We talked about our faith and our father's plans to come to Greenville. She is looking forward to joining us in her family's faith walk!

We are overwhelmed with God's favor concerning this event. You have filled out the TD Center with over 1700 seats filled! For the first time we had to close registration. We are thrilled so many want to join us but disappointed that so many still want to come and we have no more seats. The way we have accommodated those who want to attend, and are sponsoring our event or hosting, is by the registration list of those who signed up requesting a seat. There are over 200 on that list. I feel confident we will be able to seat those guests. It's just the nature of large events like this that unexpected travel happens, sickness occurs, or family members decide they do not want to attend.

We want each of you to know that we are so pleased you are joining us! You are the ones that keep our doors open and lights on. Babies are saved because of your contributions of prayer, time, energy and funds. But... if you or your guest's plans have changed, or change in this next week if you cannot attend will you alert us by emailing banquet@piedmontwomenscenter.org or calling Wendy at 234-1434 and letting us know?

The purpose of this event is to celebrate God's goodness to this ministry of Life and to raise operational funds for this next year. Would you please pray about how you would have you give your time, your in-kind gifts or your finances. Our mission is to share the love of Christ to hurting men and women who turn to themselves in unplanned or crisis pregnancies.

Together we can end the tragedy of abortion.

God bless,

Lenna Smith, CEO
