Re: Support of H.3891

H.3891 which deals with Vehicle Licensing Fees on rental vehicles is on its way to your office. Copper Dome Strategies represents United Rentals – the nation’s largest heavy equipment rental company. We became a part of this bill when the original bill passed by the House inadvertently deleted some language in the code relating to the heavy equipment surcharge. As a result, with worked closely with the rental cars companies and the Department of Revenue on this bill. All parties supported the bill now before the governor and there was no opposition.

We are hopeful the governor will sign the bill into law. Please do not hesitate to contact me if you have any questions or concerns about this bill. Many thanks!
