Thom,

Sorry for the previous email. Rob was standing over my shoulder and thought it would be funny to send that. He literally typed it out and sent it himself.

He is the person to coordinate with. I copied him to this email.

Thanks for your help.

It's my understanding that the folks in the press office have been here for a number of years. Do you know any or all of them?

Hey, David.

I will be responding with the statement for the reporter.

With whom shall I coordinate in the Press Office?

Thanks.
