Last Thursday. To clarify, I don't think Katie is asking whether we can appoint an interim. She is asking whether the chairman can be designated by the Governor, or whether it is a unique seat that would require a new appointment and subsequent Senate confirmation.

Holly,

Austin and I need your assistance interpreting the requirements for the chairman seat on CHE. The Chair of CHE recently resigned and we need to know if the Governor can designate a new chair or if the new chairman must be confirmed by the Senate. Let me know if that makes sense or if you need me to clarify.

Thanks,
