## Activities *The Source 6/14/44*

Evangelistic services were held in the social hall last Sunday evening before the largest crowd ever assembled there for worship. This service was conducted by Robert Cochran of Apartment W-4, who is a ministerial student at the Columbia Bible college and detective clerk at the police department. He has been conducting services for the prisoners for the past three years. Miss Gwyndolen Cochran was soloist for the evening.

The summer months will be devoted to children's activities, supervised by Miss Lavern Raines. The teen-age club is progressing nicely. Two soft ball teams have been organized and play the city teams twice weekly. A story hour will be held at 4 p.m. every Thursday. Boxing matches and tumble contests are added interests.

The third birthday of Joel Briggs was celebrated by his mother, Mrs. O. L. Briggs, Wednesday evening at N-4. A lovely decorated cake graced the table, and an iced course was served.
