## *A Public Petition in Opposition to Common Core*

### *to Governor Haley*

**Whereas;** Common Core Standards were composed in secret by liberal elites, without any say from parents and teachers; and

**Whereas;** Left-wing Billionaires spent hundreds of millions of dollars lobbying state leaders to quietly adopt Common Core; and

**Whereas;** Common Core standards were designed to teach students what to think - NOT how to think; and

**Therefore;** I demand you take all efforts to oppose the implementation of Common Core in South Carolina.

- Whereas:** The Obama Administration — in particular former Attorney General Eric Holder and current Attorney General Loretta Lynch — have been on the warpath to block, erase, or overturn Voter ID laws in all 50 states;
- Whereas:** These commonsense Voter ID laws simply require voters to show valid photo identification in order to cast a ballot — the same basic requirement needed to board an airplane, cash a check, or order a glass of wine with dinner;
- Whereas:** Abundant evidence exists that voter fraud is rampant, pervasive, and undermining trust in our democracy — so much so that 81% of Americans now believe voter fraud is a very real problem;
- Whereas:** I do not want my vote "cancelled out" by a fraudulent ballot cast by an illegal immigrant, felon, or other ineligible voter;
- Therefore:** I affirm my support for the passage and/or protection of Voter ID laws in South Carolina and encourage you to do everything within your power to protect free, fair and secure elections in our state.

## **2016 ELECTION INTEGRITY PROJECT REPLY TO MICHAEL BOOS, EXECUTIVE VICE PRESIDENT**

Dear Mike,

I agree — voter fraud is a serious problem! I don't want to see our election outcomes disorted by illegal aliens, defrauded by shady "community organizers," or stolen by those seeking to subvert the democratic process.

Lew,

Thank you for telling me about this new cruel and unfair Death Tax that Obama snuck into his terrible law. I'm so glad to hear that NTLC is working to defeat it before any more families are devastated by it. I have signed my 3 **Stop the ObamaCare Death Tax Petitions** -- to fight the liberals on every front. To help in your critical campaign I have also given my one-time, urgently-needed best donation of:

.....DO NOT DETACH.....

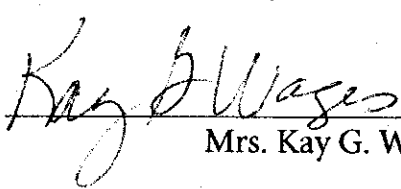

STOP THE OBAMACARE DEATH TAX  
to Governor Nikki R. Haley

WHEREAS: I am a law-abiding, tax-paying, economy-supporting American citizen who worked, sacrificed and saved my entire life in order to leave my money and belongings to my family, friends, church and favorite charities;

WHEREAS: I opposed the terrible ObamaCare law from day 1, like most other Americans;

WHEREAS: The hidden ObamaCare Death Tax, which allows states to seize my belongings, is an outrage and insult to hardworking Americans. This new ObamaCare Death Tax is on top of the already cruel and unfair regular Death Tax;

THEREFORE: I demand that you make it illegal for South Carolina to seize my belongings under the new ObamaCare regulations.
