EMD has legal counsel, Danielle Maynard, and so I suggest we have her look at this rather than our office. Do you agree?

Subject: SBA Disaster Data Sharing MOU Draft

Holly, Rebecca, I hope you had a great weekend.

I was hoping one of you may be able to help us out with a review of this MOU. The SBA currently has their legal folks looking at it as well. The agreement is required in order for us to obtain the Small Business Administration data relating to the October storm. As you know, we will be mandated not to duplicate any benefits when the Federal Register is published.

I can't explain why this is so painful with the SBA, but this is their process.

Regards,  
Dan
