She's one new resident who doesn't get disturbed by others! Meet Magnolia or "Maggie" the newest resident of the Animal Forest at Charles Towne Landing! Come out and visit Maggie and all of our other (less stinky) animal friends! <http://www.southcarolinaparks.com/education-kids/animal-forest-at-ctl/default.aspx>

**Jeannie Morton** I had a pet skunk for several years, she was brown and white, from Australia, beautiful and so loving even while she was stealing the toppings off my pizza, stealing our clothes for a secret bed, etc! RIP Dottie!
