**Subject:** Reduction in Paper Social Security Statements

---

Dear Colleague:

Due to serious budget constraints, we are suspending mailings of paper Social Security Statements to workers until we can continue mailing Statements to those 60 and over who do not have a [my Social Security](#) online account and are not receiving Social Security benefits.

In addition, we have enacted a hiring freeze and dramatically reduced overtime hours that help us process work in our offices and on the phone. You can read more about these changes and the current budget situation [here](#) on the Social Security Administration website.

Please share this information with your members and networks. Thank you for helping Social Security continue to rise to this challenge!

Sincerely,

J. Jioni Palmer  
Associate Commissioner for External Affairs
