

Dear Governor Haley,

My name is Justin Payton Paris, and I am a former 54B (74D) specialist in the United States Army Reserve (2001-2009). I am also a combat veteran, deployed to Baghdad from 2003-2004.

In September of 2012, I was awarded 00% service connection for my condition. This award included retro pay to late 2010.

The reason I am writing you this letter, is because the retro pension should go back to October 20, 2004, when I was released after my deployment.

Myself, and my lawyer, along with North Army Hospital in Fort Benning, GA, all have medical and psychological records that prove my condition appeared and/or worsened in 2003 Feb-Apr.

I was hoping you could lend a hand in recovering the 6 years of pension still owed to me by the VA. Any assistance or guidance in this matter is greatly appreciated.

I wish you success in your future political endeavors.

signed

Justin Paris
