Ms. Veldran,

Have you heard anything further on House Bill 3086? I have been checking the website but there has not been any update in almost a month.

Thank you,

Ms. Veldran,

Thank you so much for your time on the phone this morning concerning my inquiry into House Bill 3086. As I stated to you, my son will be attending the Citadel in the fall and the difference between the instate and out-of-state tuition is upwards of \$20,000. My son will be using my Post 9/11 GI Bill but it is capped at the instate tuition rate. As such, I am very interested in the progress of this bill.

Thank you for keeping me informed and if you need to reach me, you can contact me at the number below or on my cell at 850-377-8626.

Very respectfully,  
CDR Wilke
