Very proud to have joined Sen. Gregory and representatives from energy companies and conservationists in signing the Solar Energy Bill. This new law will create jobs in our emerging solar industry, increase the use of domestic energy sources, and give our families more affordable access to solar energy. This was a real Team South Carolina effort and we couldn't be more excited about this new energy efficient direction for our state!

We were very proud to join to Sen. Gregory and representatives from the energy companies and conservationists in signing the Solar Energy Bill which will increase the accessibility and affordability of solar energy for both businesses and families. This was a real Team South Carolina effort and we couldn't be more excited about this new positive and energy efficient direction for our state!
