I'm going to answer the relevant questions in my reply to your work list email, but you should have this. Duane agrees with us on a couple items and provides some detail that may be relevant to our messages.

I have also asked him to follow-up with Yvette to explain the difference between his take on accommodations taxes and what we see in the detail budget.

Josh,

Attached are my thoughts regarding the budget. My comments are in blue to the side. Helpful to read through all of it as some line items relate to the others. Call me if you have any questions.

You asked about the amount that State Parks pays in Admissions Taxes – it's about \$225k.

Thanks.
