Some of our upstate parks remain closed or are without power. Please check the page of the park you plan on visiting for more information. [www.SouthCarolinaParks.com](http://www.SouthCarolinaParks.com)

**Renee Hudson Perfecto** Hi there, is there any long hikes that might be guided? I am wanting to take a day hike one that may be 6 miles to 13 miles but I am afraid to go and get lost. Lol and I don't know which one of the parks have 12 or 13 miles.. ?
