I'll let you take it from here.

And yes, Dems have much cooler campaign party posters than we do.

Thanks. It has been going well here, but I have 61 days to mess it up. The staff has been doing a great job and I try to stay out of their way.

David Agnew seems great; can't wait to work with him.

Have someone call Stacy Richardson, the campaign manager, at 423-304-0356. I have copied her on this email (stacy@andyberke.com). As you know from our conversations, I am passionate about the higher ed reform bill we passed and welcome the opportunity to discuss it. We will make it a priority.

Happy New Year, and let me know the next time you're around.

Andy,

Wow....I knew it was going to be a Mayoral coronation but adding in the funky hipster vibe is taking it to the next level!

Congrats on largely clearing the field; I hear from my WH buddy David Agnew that you guys have met a few times and am sure you will enjoy working with him post-election.

I know you are insanely busy trying to clear 75% in your race (cause 50.1% just wouldn't suffice!) but am emailing to ask a favor as a SC state legislator is - at Governor Haley's request - about to introduce a higher ed

reform bill that has a lot of similarities to what you were able to pass in TN. I had told her staff of your Herculean efforts on this topic in TN so they were hoping you could find 20-30 minutes sometime late next week for a call with them and the state legislator who is going to introduce it. If so, I will just put them in touch with you or your scheduler to coordinate times, etc.

I know that's asking a lot given what I'm sure are unbelievably tight time constraints but figured I'd pass it along in hopes that you'd be interested in helping straighten out South Carolina's higher ed system as well. Or if you are too busy it would be great if you could put us in touch with another expert on the legislative efforts but I know that's likely a significant drop in talent/intelligence if we get the next person in line.

Hope to catch up with you in the mayor's office later this year....

Thanks much,

Chad

P.S. In spite of me giving you a hard-time about it, the poster and event really do look cool. All of your campaign stuff has been impressive, and I am certainly enjoying watching your march to be mayor from afar.

Dear Chad,

Cool. The poster below is just plain cool. And it says everything you need to know about our Renew Year Party.

Local restaurants like [Fork & Pie](#) and [Local 191](#) are putting together special treats for the occasion. We will be in a new refinished space on Main Street as a symbol of our focus on renewing Chattanooga. The party will be innovative, forward inclusive -- just like our campaign.

I hope you can join us next Wednesday. Just reply to this email to tell us you're coming or [click here to buy tickets](#).
