# REPUBLICAN GOVERNORS

PUBLIC POLICY COMMITTEE

To: Action Officers, Education Advisors

RGPPC will host a briefing from Republican Senate HELP Committee staff on their 2013 ESEA reauthorization bill, S. 1101. The briefing will be held at the Hall of States for those of you in D.C. and a conference line will be available for education advisors and senior staff to call in from the states. We expect this to be a robust conversation between states and our friends on the Hill. Lunch will be served.

They are interested in getting feedback on their plan from states. Specifically, states can focus their recommendations on the Title I and Secretary Limitations sections of the bill, which will be similar to the attached version from the 113<sup>th</sup> Congress. A one-page summary of the bill is also attached.

Due to the high-level conversation this call will entail, we request that attendees RSVP with their name, title, and state. Please RSVP to [dhuffman@rgppc.org](mailto:dhuffman@rgppc.org) – more details and the dial-in number will be sent in January.

Call time: **Monday, January 12 from 12:00-1:00pm EST**

Thanks,  
Dustin
