"Five Ways LED Lighting is Transforming America's Downtowns"

Nov 15, 2016 | 1:00p - 1:30p EDT

Register Today

When you have an integrated lighting and controls network to optimize your city's street lighting, transforming your downtown to provide additional services and drive commercial growth becomes a whole lot easier.

Attend this informative half hour webinar to learn 5 ways that LED lighting is transforming America's downtowns and why you simply can't afford to wait any longer to plan your renovation.

What You'll Learn in this Webinar

- How LED luminaires can reduce your energy and maintenance by over 50%

- How new lighting affects city vitality in both nighttime and daytime

- Smart solutions that can simplify asset management thru connectivity
