Kerri Kennedy Poorly timed post. Considering the recently announced shut down, National Parks are going to be without staff and those employees are furloughed.

Martha Hopper Compton I think it is well-timed, actually. Many people may be confused and think state parks are closed as well.

Melissa Hurley Are the parks open on Christmas Day?

at 0:49:21 on 12/23/2018 UTC

Dawn Watson Weaver People are calling and asking if we are open. Especially important for those with reservations.

Dawn Watson Weaver Melissa Hurley , most, if not all are open. Some tours and visitors centers may not be. Call to be certain if you're planning a park visit.

Kerri Kennedy I can understand that- I guess the tone of the post seemed off. Hopefully this furlough will end quickly.

Bill Conway Kerri Kennedy Everyone always gets back pay after a shutdown. It's just more vacation days for federal employees.

Erica Boling So does the government shutdown mean the parks are open or closed Sunday?

at 4:13:58 on 12/23/2018 UTC

Erica Boling National parks are closed but state parks are open?

at 4:14:56 on 12/23/2018 UTC

Kerri Kennedy Erica Boling National Parks are open but have zero staff until the furlough is lifted. That means no guides, no rangers, and no trash collection.

at 4:16:03 on 12/23/2018 UTC

South Carolina State Parks Erica Boling yes, SC State Parks are open!
