We updated the contract to include the global rate as agreed, the amended contract will be mailed to DDSN next week. We voided all claims with an effective date on or after July 2013, provided DDSN with the details associated with the claims that were voided. The new rate should make DDNS whole. Val

Jenny,

I am copying Dr Button on this as I believe he and the other medical directors have had conversations with Dr Skinner T GGC about the new gene panel. Dr Burton, pls advise. Regarding the repricing of claims, Val has been working with Susan Bowling . Val pls provide update . Jenny, Monday at 2 pm works.
