Thanks - did they have the corresponding dollar totals to go with the transaction counts?

Hey Christian!

Our folks were able to provide the numbers you requested. However, they do not have figures on percentages of local government transactions or other entity transactions.

Credit card transactions for calendar year 2012 - 456,301

Debit card transactions for calendar year 2012 - 249,375

Hopefully you can use this information. Please let me know if you need anything else.

Thanks
