"We couldn't be more excited that UST has decided to establish its headquarters in South Carolina. This \$1.6 million investment, and the 59 new jobs it means for Greenville County, is a real reason to celebrate across the state, and we look forward to a long-lasting partnership with one of the newest members of team South Carolina."

Brian,

Attached is the final version of the Michelin release, which we need to distribute at 11:00 AM per the company's schedule.

The draft for UST Logistics is also attached, but we still need the Governor's quote approved before we can move forward. We have to distribute UST at 10:00 AM this morning to correspond with an event the company is holding in Greenville County.

"We couldn't be more excited that UST has decided to establish its headquarters in South Carolina. This \$1.6 million investment and the 50 jobs they are bringing will have a positive impact on the whole state and especially the Upstate community." –Gov. Nikki Haley [DRAFT QUOTE / TO BE APPROVED]
