Dear Nikki,

Available nationwide, [HughesNet® Gen4 Internet Access Solutions](#) are built **on the industry's most advanced network of high-capacity satellites** and are designed to meet the growing broadband needs of agencies, emergency responders, healthcare providers, and school systems.

And, HughesNet® Gen4 offers a range of speeds and affordable service plans for **broadband connectivity in even the hardest-to-reach locations**. So, if your agency has field offices where DSL and cable can't reach or you've found T1 too expensive, HughesNet® Gen4 can provide you with. . .

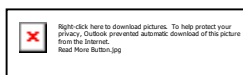

- Performance-enhancing innovation for **high speed downloading, browsing and data usage management**

- Speeds up to 15 Mbps* – so you can **do more, faster**
- **Secure, reliable connections – for one or many locations**
- **Enterprise-grade support – 24/7 technical assistance**
- **GSA Schedule 70 #GS-35F-0907P**

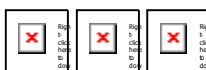

Ready to get fast and affordable Internet at every site? **Call 1-888-772-9012** to speak to a representative. Or, [click the link](#) to have one of our reps call you.

*Available speeds dependent upon service plan and location.
