Renee,
Thank you for the follow up.
Thank you for gathering the library of Governor's Carolightings. Please let me know when are available and we will have someone come pick them up.

We can schedule the meeting for next week if that's easier planning wise.
Thank you,
Katherine

Hello Katherine,

I have started working on the DVD request and I hope to have you at least the first batch in the next day or two, they are real time dubs so that take a little while to do but we are working on it.

About the meeting on Thursday, it is not for certain that I will be the director for this year's program. I am trying to get with Tom Posey for us to decide on the director for this year, however, we missed each other this afternoon. We will get together tomorrow and I will let you know what is going on here.

I'm sorry for the delay.

Have a nice afternoon,
Renée
