2018 Hardin Strait  
Chester SC 29706**

**12.31.15**

**SC Ombudsman:**

**On the morning of 12.28.15 a member of the SC highway patrol arrived at my mother's residence in Chester, SC, & informed her that he was there to take my license plate because my insurance had lapsed & my license was thus suspended. My insurance has not lapsed & my license is not suspended; this was a brazen attempt of theft under color of authority & must be investigated.**

**Sincerely,**
