I gathered all of the closings from OHR and EMD the end of last week and have begun a draft EO.

It has been our practice to grant leave for days missed due to emergency weather. We can prepare a draft EO earlier this week. We will need to get a list of state closings from EMD / OHR, depending on which entity was tracking when.

Katherine:

I am hearing from several constituents who are State Employees who have been forced to take annual leave days for the time they were out during the flood. Is the Governor considering granting any emergency leave for those dates?

Thanks for all you do!
