Subject: Mopeds

Hey Chaney,

I was wondering if the governor wanted to comment on remarks made by Clemson Coach Dabo Swinney last week. And can you please let me know either way if you'll be sending a comment?

Swinney called for the state to help pass a law that would require people on mopeds to wear helmets. This goes against the governor's stance that listed when she vetoed the moped bill this year that would have required those under 21 to wear a helmet and other protective gear. Does the injury of Clemson freshman Xavier Kelly and Swinney's support of institution a helmet requirement change the governor's stance?

Thanks.
