Hi Tony,

Time is running out to register for **Diabetes Cost and Care Management Strategies for Health Plans** conference, taking place **September 22-23** in **Chicago**! Secure your seat for this one-of-a-kind event focused on giving your organization tools and strategies that truly work to reduce costs and improve outcomes for this complex and chronic disease.

Our expert speaking faculty will share experiences and insights into innovative strategies for diabetes care, including:

- Improving adherence using best practices in medication therapy management
- Providing mental health support to reduce the risk of costly co-morbidities
- Supporting disease self-management in newly diagnosed members
- Using motivational interviewing to help members become engaged in their own care
