Governor Haley:

I am happy that President George W Bush and First Lady met with you today. I request you to consider endorsing Governor Jeb Bush.

I read in India West News paper that Governor Haley would consider the nomination for Vice-President of the United States after she serves South Carolina. That is good news. I work closely with Governor Jeb Bush. If he gets the nomination, I would talk to Gov. Jeb Bush about this.

I heard Governor Haley on national TV news about certain death sentence for the gunman in Charleston, SC. I request Governor Haley not to make statement like this before judicial process take its due course.

Please pass this on as a suggestion from a Texas friend, Sam Kannappan.
