Atalaya starts today and we hear not only is the art awesome, but the birds and wildlife are putting on a show too! Head out to the park, for sure. If you're one of the first 10 people each day of the festival to stop by the park van and say the magic phrase -- you'll get a FREE gift. MAGIC PHRASE is.....ART IN THE PARK!

**South Carolina State Parks** AND -- take your picture at the festival and make sure to post it here! We'd love to see you!
