Closing our Walmart would be the biggest lost to our community. Just about everyone in the community shops here. Its the only store where we can get everything we need all in one place. There are many factors in this situation that need to be considered. How will our elderly get there medications or their everyday needs? Some of our elderly citizens are not able to drive and for those who can, they can only drive a short distance. Even for the younger people here in Winnsboro, closing our Walmart will affect us too. Like the elderly some of us have transportation and some don't. What about the parents here in the community? Where will they buy their kids school uniforms at? Their school supplies? Did anyone think about the fact of gas being ate up to drive 30 minutes to Killian Rd? What about wear and tear on the citizens cars going up and down that highway? We have people who shop at this store 3 to 4 times per day. There's so much being ignored here. And as an employee of Fairfield County Disabilities. and Special Needs Board I must say that this drastic decision will truly affect not only my fellow employees but it will also hit home for those whom we take care of. They love Walmart and all they keep asking is where will we take them to shop at now? Truly saddens me to not have an answer. Walmart is highly essential to our community. What are we to do if the heart of our county is snatched away?

I'm a resident of Fairfield County. I think Walmart shouldn't close their doors do to the fact that the elderly may not have a way to get around also you have mothers to be and may need certain things such as baby clothes, carseats strollers, and etc. Then we have some elderly that may not even have heat nor air when needed and can't travel to purchase it at another store that's why I think the doors should stay open at Winnsboro Walmart.

Walmart is a big part of this small town and is also my job. Not many people can transfer due to having no transportation. Killian Walmart is 25 -30 minutes away. A lot of the elderly people in Winnsboro can't make a trip that far for everyday shopping. Closing this Walmart is a huge mistake and will affect many people.

We need our Walmart. So many people depend on Walmart for groceries and medication. What will the elderly do now?
