Subject: Autograph.

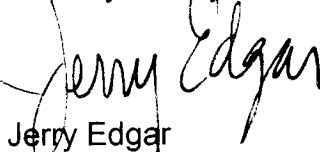

Dear Governor Haley:

I am a collector of political autographs from any and all states, but especially all who have represented South Carolina.

I have enclosed three parchment 3"x5" cards which I will greatly appreciate you signing and returning to me in the S.S.A.E. which I have included. I have been collecting since 1970. My collection includes many individuals who have served in Congress, Senate, First Husbands and Governors, past and present from South Carolina. I already have a Photograph of you which I was able to get from the internet.

I am older now, but my collection numbers more than 8000 autographs and it does require my time which I greatly enjoy. I am very interested in including your autograph to my collection and I truly appreciate your consideration.

Thank you very much.
