Subject: Drug Take Back Boxes - Status

Good Morning,

I wanted to sort of do a status report on where we are on the Drug Take Back Boxes, so that I'm sure we are all on the same page and that I have provided everyone with what they needed from me.

My understanding:

- We need three things: (1) NGA for the AAAs, (2) Instructions or terms for the AAAs, and (3) announcement to law enforcement.
 - The NGAs for the AAAs have been prepared by Ken, and he and Darryl are discussing the exact funding source/ mechanism. (This is per the discussion that Danny and I had with Darryl on the afternoon of November 6th)
 - Instructions or terms for the AAAs, these are also to be prepared by Ken and he could have these together as soon as he is back from vacation. (This is why the start date in the announcement to Law Enforcement is the 21st of November)
 - Announcement for Law Enforcement - I have drafted this and sent it to LGOA (DB, KB, and GD) for review and comment. Once we agree in house I will send it to the Sheriff's Association and Law Enforcement Officers association for review. From there if it is good then it will be sent to law enforcement, or if it needs tweaks or clarification those will be made. Hopefully, this announcement can go out sometime Thursday or Friday.

Does this line up with where everyone else is on this? Does anyone need anything from me on this until they have feedback on the announcement?

Best Regards,
