Dear Rep. Burns,

Thank you for extending an invitation to Governor Haley to attend the event honoring our veterans on Friday, September 5, 2014. Governor Haley appreciates your kind consideration in thinking of her to this one of a kind event, but regrettably the governor's tight schedule will not permit for her to attend on that date due to a scheduling conflict. Governor Haley appreciates you letting our office know about this unique way to honor our veterans. Best wishes on a wonderful event in September.

Take Care,
Nicole
