### South Carolina State Parks

at 0:47:39 on 9/25/2021 UTC · 🌐

If you plan on visiting the Atalaya Arts & Crafts Festival Saturday or Sunday (Sept. 25 or 26) at Huntington Beach State Park, please consider carpooling, as parking inside the park is limited. Huntington Beach State Park may close periodically throughout the day (9/25 & 9/26) due to the park reaching capacity from the Atalaya Festival. Please be patient & follow instructions from law enforcement directing traffic at the park entrance. The park will re-open as soon as possible. Also, please pack your patience as we work hard to park cars and shuttle you to the festival gates. Please know that the festival is not as busy in the afternoon hours between 2 and 5 p.m. Thank you for your cooperation! [www.AtalayaFestival.com](http://www.AtalayaFestival.com)

**South Carolina State Parks** Helene Kay the festival opens at 10 a.m. on Saturday and Sunday. All of the information is on our website at [www.AtalayaFestival.com](http://www.AtalayaFestival.com). Can you please tell me what misinformation you received today?

at 1:12:34 on 9/25/2021 UTC

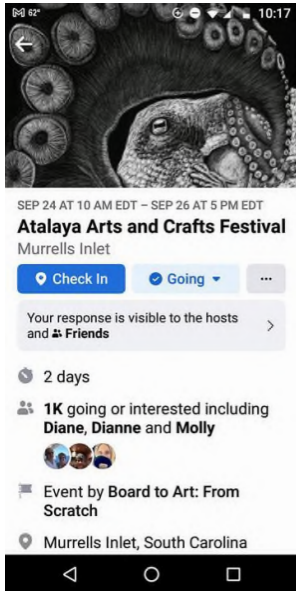

**Helene Kay** South Carolina State Parks I saw a poster at the nature center that said 12 for Saturday. Also, there was another Facebook event page that indicated 10 for Friday (today).

**Sjannah Sanders** South Carolina State Parks I was told the park closed and people that had driven there just for the festival were turned away by very rude female officer that was driving a truck with a surf board on the top. No explanation just see the sign "PARK CLOSED". We were going to try to come but it's 2 1/2 hours from Edisto to be just rudely turned away. So not going to even try this event! I know it doesn't matter as you made your money but there was no planning for this event. Sad I will tell anyone I know that they are taking their chances on even getting in.

at 18:57:23 on 9/25/2021 UTC

**Kim Savon** Chrissy Sackett it's very small. You didn't miss much at all. No way worth \$15. Glad I had a free pass. One and done.

**Nevena Ivanova** Very disappointing today. Went there 11 am and drove 50 minutes with a baby in the car only to find out they are closed. The police officer at the front was super rude and would not let me ask a question. I was literally shouted at to keep going and they are closed, to come back in an hour. I will not go there anymore. This could have been announced earlier in Facebook for people to be informed.

at 0:35:32 on 9/26/2021 UTC

**Nevena Ivanova** South Carolina State Parks , a little too late. A lot of people weren't able to get in today. But good to know for everyone going tomorrow. Not me, thank you!

at 0:37:01 on 9/26/2021 UTC

**Ruth Vanco Boling** Kim Savon Kim, this was huge compared to years ago...entertainment, food trucks, and exhibits outside, inside and over all the grounds and rooms in Atalaya. You might have missed some of it.

at 0:51:15 on 9/26/2021 UTC

**Mary Watson** William Smith experienced that yesterday. Waiting for a shuttle was the worst. They needed more. Will not attend again either.

**Mary Watson** Nice Festival. Went yesterday, but lack of traffic control and waiting for a shuttle made for a frustrating time. Also redundancy in the vendors. There should have been lots more golf carts to shuttle the people. Will not attend again. Had lots more fun at the Myrtle Beach Indoor Largest Yard Sale today.

at 1:04:05 on 9/26/2021 UTC

**Denise Mangum Grady** The weather on Friday was perfect for the festival. There were so many vendors, food services and the music was awesome!🎵

at 1:08:21 on 9/26/2021 UTC

**Kim Savon** Ruth Vanco Boling hmm. I guess I just used to the arts festival in my hometown of Columbus, Ohio and in Boulder Colorado. Glad you enjoyed it. Beautiful castle and

beautiful day, so no complaints.

at 1:20:51 on 9/26/2021 UTC

**Sarah Laird** We went at 11 today. Had no issues with traffic. There was some congestion inside the park but the attendants did a wonderful job and kept things moving well. We got lucky and got directed to parking just a short walk from the castle. Had a very enjoyable day!

**Jeanette Shepp Conrad** Denise Romich hope they came to the great craft show at Cameron Village Community Ctr 50+ vendors and more!

at 1:49:21 on 9/26/2021 UTC

**Tania Marie** Nevena Ivanova we went at 11:30 and the park was closed. We are pass holders and it was the first year we were going to attend. The traffic was horrible and they made it so you couldn't turn into the park, you had to drive down a bit because they had the turn-a-rounds blocked with cones. I won't be going back either.

at 1:50:24 on 9/26/2021 UTC

**Jeanne Millane** No problem today. Got there at 11

at 2:19:05 on 9/26/2021 UTC

**Zelda Nichols** Fabulous to have it back and everyone did a fabulous job. Loved that there were new craftsmen but missed the food vendors from before.

at 2:19:59 on 9/26/2021 UTC

**Nevena Ivanova** Sjannah Sanders , this is true. I was there myself and I am not sure if it was a he or a she police officer, but definitely very rude. I couldn't even open my mouth to ask my question and was yelled at "go, go, go". So poorly organized and not professional. Never been to this state park before. I hope not all of their events look like that because they will definitely lose a lot of local customers.

**Jason McMillan** Nevena Ivanova I am a vendor and was at a breakfast this morning. They've had record numbers for turnout for the event this year. This is the first time in the parks history they had to close the park. They admitted they were unprepared and caught off guard. It really is a very well managed and produced an event. I hope you'll reconsider and come back in the future.

**Helene Kay** Hannon Davis you were supposed to pay \$10 to park for the beach 🏖️  
at 19:02:55 on 9/26/2021 UTC

**Gretchen Gibson White** I had a lovely time. We took my fiance's wheelchair bound mother and we were quite pleased with the traffic control and the way we were directed to a handicap parking lot, right at the entrance to the festival. It was a perfect day for the festival!!  
at 19:08:16 on 9/26/2021 UTC

**Laura Dorr** Just left at 3 (arrived at 1:30). Very talented artists. People parking are not being very patient and not waiting on people trying to walk into the admission area. Sadly you'll have to be very cautious.

**Barbara Millen Patrick** Manuel Alexander Casanova. We should have gone to this.

**Kathy Lerchenmueller** Jennie Tinkler Horn I was planning on checking it out this year (first time I've not had to work the weekend). Never made it there...again!!! Next year for sure we need to go. I also like the little one in front of Lazy Gator which is usually this weekend too...just had too much going on this weekend...  
at 19:54:21 on 9/26/2021 UTC

**Jennie Tinkler Horn** Kathy Lerchenmueller well to say the least I was not impressed. I didn't see anything in front of the lazy Gator when we went through Murrells Inlet.

**Barbara Stevenson** What a fabulous festival. The artists and their works were incredible with such quality! Our shuttle drivers were quick and very nice. Especially the young blond girl who shuttled us back to our car. The music was good. A nice variety of food. There was nothing to complain about. If you chose not to go you missed out!

**Firouz King** For the most part it was great. Parking was directed, maybe a bit crowded, vendors had nice crafts for sale, music was great. Only notes for improvement are: have the traffic people advise the fair is free with their park pass, and get more tables to sit and eat at. Due to the lack of a place for my family to sit, despite waiting a while for someone to leave, we left without getting food from the vendors there. And we totally would've eaten lunch there.

**Pamala Keyes Miner** William Smith I love it being busy. It means all the vendors have a better chance at making more money. They do many shows all year long. It is their job, which pays better if more people attend. Many of the vendors at the festival are local to the Inlet and within an hour away. Several are within. 4 hours of us. Very few were from out of our area. More local taxes, more local income is a win win.

**Christie Williams** Cynthia Nettles Sando Adding to my calendar now. Hope we get to see you before then. The campground has been so full since the pandemic I don't know when we'll ever get in! It's our favorite state park.
