**Subject:** Update on ACT Assessment

Dear Superintendents, Principals, and District PIOs,

The Budget and Control Board has informed us that Data Recognition Corporation filed a procurement protest challenging the award for the statewide assessment program (grades 3 through 11) contract to ACT, Inc. The Budget and Control Board just posted a notice suspending the intent to award pending the administrative review by the chief procurement officer. The documents are available at this link:

We will continue to provide you with these Budget and Control Board updates as we receive them.

Regards,  
Dino
