Dear Mrs. Estep,

Happy 70th birthday! There is no greater gift than the respect and love you have received from the many people whose lives you have touched. As someone who has dedicated her life to Christ, you have been an incredible role model and made a profound difference across our state. Drawing on loyalty, faith, and Christian values, you have been an exceptional mentor for young couples at First Baptist Church, and your commitment to your family will be a source of inspiration for generations to come.

Michael and I are thrilled to join your family and friends in celebrating you on this special occasion. We wish you the best for a very happy birthday! God bless.

My very best,
